

Water/Wastewater Commission

SITE VISIT
Saturday – June 8th, 2019
2:00 p.m.

Walking tour of Jewell Hill Farm
Starting at the parking area at 511 Crocker Rd. Ashby, MA 01431

The Water/Wastewater Commission will tour Jewell Hill Farm to consider an opportunity for the City to participate in the conservation of a unique property which will help to protect the City's drinking water supply. The 300-acres Jewell Hill Farm is located in Fitchburg, Ashburnham and Ashby. This property is part of the 475-acres historic Crocker Farm, of which the City has already conserved 140 acres for watershed protection.
