Change of Manager

British American Club, 1 Simonds Road, from Ron E. Cote, II to Andrew J. Couture.

Mr. Andrew Couture was present at the meeting. Commissioner Sarefield asked Mr. Couture about his plans. Mr. Couture stated that he was voted in as President by unanimous consent on October 24, 2021 and noted that as an attorney he was aware of the requirements of the manager on record and intends to fully carry out the duties according to the by-laws. Commissioner Sarefield noted that the requirements of a manager on record are detailed in Section 3.9.1 of the License Commission Regulations. He expressed his concern with regards to the amount of time is required for the manager to be on premises which is during peak business hours and for at least 60% of the establishment's operating hours. Mr. Couture noted that he is already performing the duties as the manager on record and that he is responsible enough to take on the job. Commissioner Sarefield asked Mr. Couture if there is an Assistant Manager at the establishment. Mr. Couture stated his bar steward, Mr. Perry, who has been bartending for 8 years and is TIPS certified is the Assistant Manager. He noted that he was currently working on getting his TIPS certification and plans to implement certification for all employees at the establishment regardless of their position. He also noted that he plans to install an AED defibrillator and will implement first aid training for all employees. In addition, he is working towards becoming more active in the community with members volunteering their time with different events and general cleanup events. Commissioners Zarrella and Boscardin noted their concern with the full time nature of the position but noted that Mr. Couture has implemented a good plan and they were comfortable with approving the application. Lt. Howe noted that he had no concerns with the application.

Application approved by unanimous roll call vote 3/0.
