PREAMBLE

This AGREEMENT is entered into by the CITY OF FITCHBURG, hereinafter referred to as the "Employer" or the "City", and the Teamsters Union, Local #170, affiliated with the International Brotherhood of Teamsters, hereinafter referred to as the "Union", has as its purpose the promotion of the resolution of differences and the establishment of rates of pay, hours of work, and other conditions of employment insofar as the same may be permissible by law.

ARTICLE I
RECOGNITION, SCOPE AND SEVERABILITY

SECTION 1: RECOGNITION:
The City hereby recognizes the Union as the exclusive representative for the purposes of collective bargaining with respect to wages, hours, and any other terms or conditions of employment for all employees certified by the Massachusetts Labor Relations Commission (MCR-4312, August 8, 1994). This contract also includes the positions of Parking Control Officer(s) and Airport Linemen and Head Airport Lineman as of July 1, 2015.

SECTION 2: SCOPE:
This Agreement includes all of the agreements reached by the parties respecting matters pertaining to wages, hours, and other conditions of employment for employees covered by this Agreement. However, any matter not mentioned in this Agreement, any matter for which directions are not set forth herein shall be reserved for decision by the City or the Chief as the case may be, in their full discretion; and in the exercise of such discretion, and in accordance with the terms and conditions of Article 2, Management’s Rights of this Agreement.

SECTION 3: SEVERABILITY:
If any provision(s) of this Agreement or any application of this Agreement to any employees covered by the terms of this Agreement shall be found contrary to law by a Court of competent and final jurisdiction, such provision or application shall have effect only to the extent permitted by law, and all other provisions or applications of this Agreement shall continue in full force and effect. The invalidation of any such provision or application of such Article by such court shall be sufficient cause for the parties to meet and renegotiate such provision or application.
ARTICLE 2
MANAGEMENT RIGHTS

Nothing in this Agreement shall limit the City in the exercise of its function of management and in the direction and supervision of the City’s business. This includes, but is not limited to the right to: add or eliminate departments; require and assign overtime; increase or decrease the number of jobs; change process; assign work and work to be performed; schedule shifts and hours of work and lunch or break periods; hire, suspend, demote, discipline, or discharge; transfer or promote; layoff because of lack of work or other legitimate reasons; establish rules, regulations, job descriptions, policies and procedures; conduct orderly operations; establish new jobs; abolish and change existing jobs; determine where, when, how and by whom work will be done; determine standards of proficiency in skills and physical fitness standards; except where any such rights are specifically modified or abridged by terms of this Agreement.

Unless an express, specific provision of this Agreement clearly provides otherwise, the City, acting through its Mayor and Chief of Police or appropriate officials as may be authorized to act on their behalf, retains all the rights and prerogatives it had prior to the signing of this Agreement either by law, custom, practice, usage or precedent to manage and control the Police Department.

By way of example but not limitation, management retains the following rights:

• to determine the mission, budget and policy of the Police Department;

• to determine the organization of the Department, the number of employees, the work functions, and the technology of performing them;

• to determine the numbers, types, and grades of positions or employees assigned to an organizational unit, work project, or to any location, task, vehicle, building, station or facility;

• to determine the methods, means and personnel by which the Department’s operations are to be carried;

• to manage and direct employees of the Department;

• to maintain and improve orderly procedures and the efficiency of operations;
• to hire, promote and assign employees;

• to transfer, temporarily reassign, or detail employees to other shifts or other duties;

• to determine the equipment to be used and the uniforms to be worn in the performance of duty;

• to determine the policies affecting the hiring, promotion, and retention of employees;

• to establish qualifications for ability to perform work in classes and/or ratings, including physical, intellectual, and mental health qualifications;

• to lay-off employees in the event of lack of work, or funds, or under conditions where management believes that continuation of such work would be less efficient, less productive, or less economical;

• to establish or modify work schedules and shift schedules and the number and selection of employees to be assigned;

• to take whatever actions may be necessary to carry out its responsibilities in situations of emergency;

• to enforce existing rules and regulations for the governance;

• of the Department and to add to, or modify, such regulations as it deems appropriate;

• to suspend, demote, discharge, or take other disciplinary action(s) against employee(s), to require the cooperation of all employees in the performance of this function, and to determine its internal security practices.

Management also reserves the right to decide whether, when, and how to exercise its prerogatives, whether or not enumerated in this Agreement. Accordingly, the failure to exercise any right shall not be deemed a waiver of those rights. Except as expressly provided by a specific provision of this Agreement, the exercise of the aforementioned rights as well as any matter dealing with the administration of the Department shall be final and binding and shall not be subject to the grievance provisions of this Agreement.
The parties agree that each side had a full opportunity during the course of negotiations to bargain over any and all mandatory bargaining subjects, whether or not included in this Agreement. Accordingly, as to any such matter over which the Agreement is silent, the City retains the right to make changes without prior consultation with the Union subject to the requirements of MGL Chapter 150E. It is understood and agreed by the parties hereto that the City does not have to rely on any collective bargaining agreement with its employees as the source of its rights and management prerogatives, that this Agreement does not purport to spell out the job responsibilities and obligations of the employees covered by this Agreement, that said responsibilities and obligations are to be determined by the City except insofar as they may be specifically described, and that the failure or omission of the parties to outline or delineate in this Agreement responsibilities and obligations of employees is not to be relied upon by the latter as evidence of the fact that such obligations or responsibilities do not exist.

ARTICLE 3
